

HOSTEL & RESIDENCE MANAGEMENT

PeridotX Hostel Management Solution

Rooms, Residents, Billing & Portal for Hostels

PeridotX Hostel Management Solution runs a hostel the way a warden thinks — from the online application and room allocation, through monthly billing with metered utilities, fee collection and deposits, to check-out settlement — with night roll-call, gate passes, maintenance, a resident and parent portal, and dashboards for the owner across every hostel.

**Application → allocation
→ billing → settlement**

**Multi-hostel, per-client
branding**

**Roll-call, gate passes &
resident portal**
