CONFIGURABLE ORG STRUCTURE

Everything HR needs, in one place

PeridotX HR Solution replaces spreadsheets and disconnected tools with a single, secure system of record · covering the full employee journey from the first job requisition to the final exit interview.

Live Dashboard & Analytics

Real-time KPIs for workforce, recruitment, payroll and performance, with drill-down detail tables, tile and visual chart views, and exportable reports.

Employee 360° Records

One profile per employee spanning personal, employment, compensation, statutory, family, qualifications, training, attendance, leave, loans, performance, discipline, career and separation history.

Attendance & Shift Management

Daily attendance tracking, shift and roster assignment, attendance terminals/cards/events, and filterable reports exportable to Excel and PDF.

Recruitment & Onboarding

A complete pipeline from job requisition to candidate to interview to offer, with one-click conversion of a hired candidate into an employee record.

Payroll & Compensation

Salary structures and scales, configurable pay components, pay periods, payroll runs and payslips, and bulk salary increments — multi-currency ready.

Leave & Loan Management

Configurable leave types, applications and adjustments with balance valuations, plus employee loans with automated recovery schedules.

Performance & Training

Performance review cycles with goals and evaluations, alongside training programs, sessions, enrollments, feedback and trainer management.

Offboarding & Exit Management

Structured separations with exit interviews, clearance checklists, and a full discipline & warning-letter workflow with reusable templates.

SEE IT IN ACTION

A clean, modern interface your team will actually use

A responsive, distraction-free UI with light and dark mode, sidebar search, and quick-access shortcuts to the screens people use every day.
