WHY FINANCE & OPS TEAMS CHOOSE PERIDOTXAM

1

Complete Asset Lifecycle

Acquisition, transfers, revaluation, maintenance, and disposal — one register, start to finish.

2

Five Depreciation Methods

Straight-Line, Reducing Balance, Double-Declining, Sum-of-Years-Digits, Units-of-Production.

3

Native GL Integration

Every depreciation run and disposal posts a balanced journal entry automatically — no spreadsheets.

4

Maker-Checker Approvals

High-value disposals require sign-off from a second user before they hit the books.

5

Mobile Verification Scanning

Walk the floor with a phone, scan QR/barcode tags, reconcile the register on the spot.

6

Real-Time Dashboards

Category & status breakdowns, 12-month cost trends — click any number to drill in.

7

Maintenance & Compliance

Preventive schedules, work orders, and warranty/insurance expiry alerts before they lapse.

8

Bulk Import & Attachments

Onboard your existing register from Excel in minutes; attach invoices and photos to any asset.
